About Us

SMA Kristen Immanuel Pontianak

SMA Kristen Immanuel Pontianak is an educational institution committed to delivering high-quality education, grounded in Christian values, the school emphasizes character building, integrity, and social responsibility alongside the development of students' academic and non-academic potential. Through active, collaborative, and project-based learning approaches, students are encouraged to think critically and creatively, while developing an individuals who are ready to face the challenges of a rapidly changing world.

In response to the demands of global education, SMA Kristen Immanuel Pontianak also offers the **Immanuel Bilingual Class (IBC)** programme. This program is designed to enhance students' proficiency in both Bahasa Indonesia and English, preparing them to compete and communicate effectively in an international context. The programme integrates the National Curriculum and the Cambridge Curriculum, providing students with a balanced and comprehensive academic experience. Through this approach, students gain strong foundational knowledge while also developing global perspectives, analytical skills, and academic excellence.

Supported by professional and experienced educators, SMA Immanuel Bilingual Class offers a range of flagship programs, including Cambridge Integrated, STEM Integrated, Scientific Writing, as well as various platforms for nurturing students' talents and interests through academic and extracurricular activities. The school also instills a strong spirit of research, innovation, and leadership, preparing students to pursue higher education and compete at both national and international levels. With a safe, inclusive, and inspiring learning environment, SMA Immanuel Bilingual Class stands as a trusted partner for parents in preparing a generation that is faithful, accomplished, and ready to face future global challenges.

Our Foundation

Yayasan Gereja Protestan Kampung Bali

Yayasan Gereja Protestan Kampung Bali – YGPKB was officially established on September 18, 1953, as a tangible expression of faith-based service through education. Originating from the “Lok Yok” School founded in 1948, YGPKB has grown into an educational foundation that now oversees 12 Immanuel Christian School units, ranging from Kindergarten to Senior High School and Vocational High School, as well as the Sabda Setia Institute of Technology and Business (ITBSS).

YGPKB serves more than 5,800 students, supported by 433 teachers and staff members who are dedicated to delivering quality education with integrity and compassion. Beyond formal education, the foundation actively contributes to society through various social initiatives, including diaconal services and scholarship programs, reflecting its strong commitment to social responsibility. Through these efforts, YGPKB seeks to nurture generations that are intellectually capable, morally grounded, and committed to promoting peace within society.

Guided by a commitment to excellence and sustainability in education, YGPKB continuously strengthens its institutions through professional development and responsible governance. The foundation embraces a holistic educational approach that integrates academic achievement, character formation, and social awareness. Through strategic partnerships at both national and international levels, YGPKB remains responsive to global educational developments while staying rooted in its core values. In doing so, the foundation prepares future generations to contribute meaningfully to an increasingly interconnected world.

Our Principle

Siaw Leng, S.T., M.Si.

We give thanks to God for His blessings and guidance, through which SMA Kristen Immanuel continues to grow and serve the community of Pontianak and Indonesia. We are fully committed to contributing to the intellectual development of the nation by nurturing a generation that fears God, upholds noble character, is technologically competent, and embraces lifelong learning.

Through excellent educational programs, the students of SMA Kristen Immanuel have achieved numerous accomplishments in academics, the arts, and research at both national and international levels. Supported by a conducive learning environment, we strive to create meaningful and enjoyable learning experiences. Education at SMA Kristen Immanuel goes beyond theory, emphasizing practical implementation in everyday life.

Grounded in our Core Values—Growing Spiritually, Caring Community, and Conducting Wisely—we are dedicated to shaping well-rounded individuals who are physically, mentally, and spiritually healthy. Let us grow and achieve excellence together with SMA Kristen Immanuel Pontianak.

Best Regards

Siaw Leng, B.Sc., M.Sc.

Our Vision

Immanuel Senior High School

SMA Kristen Immanuel is a high-quality Christian secondary education institution, serving as a centre of excellence in character development, knowledge, and life skills.

Our Mission

- 1.To guide students to know and love God as their Creator.
- 2.To educate students to develop a sense of nationalism and love for their homeland.
- 3.To educate students to possess discipline, responsibility, a strong learning spirit, and good character.
- 4.To educate students to develop a creative attitude, a love of learning, and the courage to express their thoughts and feelings.
- 5.To guide students to recognize, appreciate, and optimally develop their potential.
- 6.To educate students to communicate fluently and master global communication media.
- 7.To educate students to utilize science and technology for the benefit of humanity and the surrounding environment.
- 8.To educate students to develop a scientific attitude and possess the competence to continue their education to higher levels.

School History & Growth

Through the Years Since 2002

"Since its establishment in 2002, SMA Kristen Immanuel has been committed to providing high-quality education that integrates Christian values with an international perspective. Over more than two decades, we have grown into a dynamic learning community, producing graduates who are not only academically exceptional but also possess strong character and the skills to compete on a global stage."

Core Value

"At our core, we foster an environment where faith flourishes. We guide students to develop a deep, personal relationship with God, ensuring that their academic journey is rooted in spiritual maturity and Christ-like character."

"We believe that education happens best in a supportive and inclusive family. Through compassion and mutual respect, we build a community that looks out for one another, embracing diversity and serving those around us with love."

"Wisdom is the practical application of knowledge and faith. We empower our students to make thoughtful, ethical decisions and to act with integrity in every aspect of their lives, preparing them to be responsible leaders of tomorrow."

Facilities & Infrastructure

We provide a modern and conducive learning environment designed to stimulate intellectual curiosity. From our well-stocked library to high-tech science laboratories, every corner of our campus is built to support a comprehensive and immersive educational experience for our students.

Beyond the classroom, our facilities empower students to explore their passions and maintain their well-being. With dedicated spaces for music, arts, and professional medical care, we ensure a balanced school life where students can grow safely and creatively.

Extracurricular

We believe that education goes beyond the classroom. Our diverse range of extracurricular activities is designed to help students discover their hidden talents, build leadership skills, and develop a strong sense of teamwork. Whether on the field or in the studio, we encourage every student to explore their passions.

Through our various clubs and organizations, students learn the value of discipline, perseverance, and sportsmanship. These programs provide a platform for students to excel in local and national competitions while fostering a balanced lifestyle that nurtures both physical health and creative expression.

School Activities

Immanuel Senior High School

At Immanuel Senior High School, we encourage students to step outside their comfort zones through various hands-on activities. These engaging events are designed to spark curiosity, foster collaboration, and apply classroom knowledge to real-world challenges.

01 Science Fair

Our annual Science Fair is a vibrant showcase of analytical thinking and creativity. It provides an exciting platform for young innovators to explore complex scientific concepts, conduct original research, and present their findings to peers and educators.

Through interactive experiments and collaborative projects, students learn the practical value of the scientific method and critical problem-solving. This event not only deepens their understanding of STEM (Science, Technology, Engineering, and Mathematics) subjects but also inspires the next generation of researchers and inventors.

02 Retreat

At Immanuel Senior High School, we believe that education extends far beyond textbooks. Our school activities are intentionally designed to foster personal growth, leadership, and spiritual maturity, providing students with memorable experiences that shape their identity and future.

Our annual Retreat is a cornerstone of the student experience—a dedicated time for students to step away from their daily routines and reconnect with God and their peers. Through reflection, worship, and team-building sessions, we aim to strengthen their faith and build a supportive community where everyone feels valued.

03 Cambridge Integrated

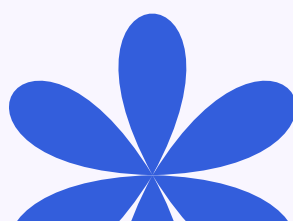

An educational program that integrates the National and Cambridge curricula for Mathematics, Biology, Chemistry, and Physics. It is designed to develop students' academic excellence, critical thinking, and global perspective.

04 Immanuel Gala Show

A platform dedicated to appreciating students' talents and creativity through artistic and skill-based performances, aiming to build self-confidence and foster positive character traits.

05 STEM Integrated

An integrated learning approach combining Science, Technology, Engineering, and Mathematics to cultivate problem-solving skills and innovative thinking from an early age.

Alumni Testimonials

Angel Natalia

Mahasiswa akhir jurusan Oil & Gas Engineering
Fakultas Mechanical Engineering

"Immanuel Christian High School has given me many opportunities to grow, guided me through wise and kind-hearted teachers, and instilled in me the value that true strength comes from the fear of God."

Reinaldo Maslim

Mahasiswa akhir jurusan Mechanical Engineering
Fakultas Mechanical & Aerospace.

Lastly and most importantly, the main objective of schools instill character in students according to the 10 pillars of SKI. I really feel that every student is educated towards academic, physical, mental and spiritual maturity, I am grateful to have the opportunity to be a student at Immanuel Christian High School

Liena Tjandra

Parents of Janssen Edyth Lim

It was the right decision to enroll Janssen at SKI from elementary through senior high school, where my child was given wide opportunities to develop his interests and talents. Students are also educated to become intelligent individuals with strong character, good morals, resilience, and obedience to God.
